1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the quarters presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The Financial Statements are for the Machakos County Government. The Financial Statements encompass the reporting entity as specified under section 166 of the PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Government recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

Proceeds from borrowing

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

4. In-kind contributions

In-kind contributions are donations that are made to the *entity* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, Machakos County includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial quarter.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation.

Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th September 2022, this amounted to Kshs 133,552,775 compared to Kshs 133,552,775 in prior period as indicated on note 16. There were no other restrictions on cash during the quarter.

6. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial quarter is treated as receivables. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

8. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the entity fixed asset register a summary of which is provided as a memorandum to these financial statements.

9. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial quarter arising from contracted goods or services during the quarter or in past quarters. As pending bills do not involve the payment of cash in the reporting period, they are recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the County at the end of the quarter.

10. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Machakos County budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 31 May 2022 for the period 1st July 2022 to 30 June 2023 as required by law. There was no supplementary budget passed in the quarter. A high-level assessment of the County’s actual performance against the comparable budget for the financial quarter under review has been included in these financial statements.
